Sex fiend remand

LENGTH: 88 words

A DEAF and dumb Czech man who sexually assaulted a 14-year-old girl after grabbing her from the street and pulling her down a laneway has been remanded on bail pending sentence.

Karel Cerney, 32, was dragged off the girl and held for gardai by a man who heard her screams.

Cerney, of Melville Court, Finglas, told gardai he had no recollection of the assault but pleaded guilty at Dublin Circuit Criminal Court.

Judge Katherine Delahunty adjourned the case for an assessment by the Granada Institute, which treats child sex abusers.
